## II. ELIGIBILITY

### **Singles: Excel and Well-Balanced Events:**

- Skaters must meet at least the minimum singles test requirements for the event’s level. A skater’s singles test level may be higher than the minimum requirement.
  - o Skate Up: skaters may skate up one level higher than their minimum test requirement allows.
- Skaters may not register for an event level lower than allowed by their competitive floor. An athlete’s competitive floor is set by one of the following scenarios:
  - o If an athlete has a paid EMS series application for the NQS series, the event level registered for in the most recent NQS will become the lowest level they may compete at in any U.S. Figure Skating sanctioned event.
  - o If an athlete has a paid EMS series application for the Excel Series, the event level registered for in the most recent Excel series will become the lowest level they may compete in any Excel event. For Well-Balanced and Specialty events the skater will be permitted to register at one level lower than the “floor” set by their excel series entry.
  - o If an athlete has never had a paid EMS series application in the NQS or Excel series, the athlete may select their level based on their goals and technical skills as long as the minimum test requirements are met.
- Skaters are not permitted to enter an Excel free skate and a Well-Balanced free skate event at the same competition (example: Juvenile Girls Free Skate and Juvenile Girls Excel Free Skate). However, they are permitted to enter an Excel and a Well-Balanced event of different types

such as a short program (if stand-alone event option), specialty or showcase events (example: Intermediate Women Short Program and Intermediate Women Excel Free Skate).

- For more details about establishing event levels, refer to the information sheet [HERE](#) or email [events@usfigureskating.org](mailto:events@usfigureskating.org).

**All other singles and partner events (such as Adults, Pairs, Ice Dance):**

- Skaters must meet the minimum test requirements for the events level but not exceed the maximum permissible test requirement.

We are committed to championing diversity, equity and inclusion and understand its value in combating discrimination and challenging inequalities necessary to develop champions both on and off the ice. We are actively working toward developing equitable practices and policies that foster safety and empower all individuals to authentically pursue their unique path in all areas of our sport. We stand firmly on the belief that our members are the most important asset to our organization and that our differences are meaningful and strengthen our sport. We believe that skating is for everyone.

### **NON-DISCRIMINATION:**

U.S. Figure Skating commits in policy, principle and practice to sustain a non-discriminatory approach on and off the ice for all members. We strive to provide equal opportunity for all despite their varied backgrounds, experiences and identities, and want all members to feel valued and respected at every level of organization. U.S. Figure Skating's SkateSafe® Program receives, investigates and addresses allegations of discrimination or harassment throughout its membership and the organization. Please refer to the [SkateSafe® Program Handbook](#) for further definition of harassment, discrimination and abuse.

By attending this event, all participants are willingly committing to upholding U.S. Figure Skating's Code of Ethics (*GR 1.01*) and Code of Conduct (*GR 1.02*), as detailed within the [U.S. Figure Skating Rulebook](#).

To report a concern of discrimination or harassment to U.S. Figure Skating, please visit [www.USFigureSkating.org/SkateSafe](http://www.USFigureSkating.org/SkateSafe) or email [SkateSafe@USFigureSkating.org](mailto:SkateSafe@USFigureSkating.org).

### **ATHLETE ASSISTANCE/ACCOMMODATIONS:**

Should a skater with disabilities require any specific accommodations or assistance for their competitive event, please submit your approved S.A.M to the Competition Chair by the registration deadline at [boiseiceclassic@gmail.com](mailto:boiseiceclassic@gmail.com)

### **COMPLIANCE:**

For full details about participant compliance requirements, refer to the U.S. Figure Skating SkateSafe® webpage: <https://www.usfigureskating.org/skatesafe#compliance>.

### **COACHES**

To be an eligible coach at a nonqualifying competition, coaches must meet the applicable compliance requirements and verified by U.S. Figure Skating. Coach compliance falls into two categories, Coach Compliance (includes choreographers) and Learn to Skate USA® Instructor Compliance. Details regarding compliance requirements can be found [HERE](#). All compliance requirements must be met at the time of check-in to access the competition, no exceptions.

Coaches of foreign athletes: If you are a coach of a foreign athlete only, you are not subject to U.S. Figure Skating coach compliance and will only be asked to provide a letter of good standing for the federation your athlete represents.

With EMS, coaches must be included within a skater/team's registration or updated through their EMS Skater Portal via "[My Coaches](#)" or "Team Personnel." All coaches declared at the time of registration will be included in the registration confirmation email. Note: There is no registration approval process within EMS as the data (membership and test level) is tied to the U.S. Figure Skating database. Non-compliant coaches will receive automated email reminders through the start of the competition.

EMS Coach Resources (not SYS or TOI):

- [My Competitions](#)

- [My Skaters](#)
- [Coach Schedule](#)

#### EMS Coach Resources (SYS):

- [Team Management Guide](#)

EMS ADMIN: The compliance tab within EMS lists ALL individuals who were declared by skaters at the time of registration or through their EMS Skater Portals (also allows access to skater schedule, music/PPC preview etc.). The compliance requirements are tied to the U.S. Figure Skating database and are updated daily removing the need for the LOC to manually update its list of attending coaches. Further, if a coach is non-compliant, they will receive system-generated emails through the start of the competition. Click [here](#) for additional information.

#### **TEAM SERVICE PERSONNEL**

Teams are permitted a maximum of two team service personnel. Team service personnel must have a current U.S. Figure Skating or Learn to Skate USA® membership, a green lighted background check and completed SafeSport™ Training. All compliance requirements must be met at the time of check-in to access the competition, no exceptions. Team service personnel is defined as those indicated as a team manager and/or team service personnel planning to attend the competition with the team.

#### **MANDATORY ATHLETES**

Athletes age 18+ as of the competition start date who will be competing on a team (i.e., synchro, ice dance, pairs, shadow dance, theatre, etc.) with at least one Minor Athlete must complete SafeSport™ Training. \*

Minor athletes who turn 18 mid-season are encouraged to seek parental consent to take the online SafeSport™ Training early to avoid any disruptions in their ability to participate as the training is required upon turning 18. The athlete will not be compliant until they have completed the training and their Members Only portal reflects completion. Please email [skatesafe@usfigureskating.org](mailto:skatesafe@usfigureskating.org) for instructions or questions regarding parental consent.

### **TEST CREDIT:**

In accordance with Rules TR 3.00, 4.01 and 4.02, athletes may receive credit for meeting minimum scores at any competition held under the International Judge System (IJS). The athlete must "skate-up" to the event they are seeking test credit for, in addition to having already passed any prerequisites prior to the competition event.

**YOU ACHIEVED THE MINIMUM SCORES FOR RECEIVING TEST CREDIT FOR A COMPETITION EVENT YOU "SKATED UP" IN. WHAT DO YOU DO?**

**STEP 1:**

At the competition, go to the registration/information desk and ask for a "Test Credit Packet" which includes the documents listed below.

This **MUST** be requested on-site, and will not be available after the competition ends. Take a picture of all documents for safe-keeping. As a courtesy, ask the competition for the packet within one hour of your event ending.

Documents needed / included in the Test Credit Packet: 1. A copy of the overall event results, that lists all of the skaters, in addition to the names of the Technical Controller and Event Referee. This is to prove the skater actually skated in the event. 2. Your individual protocol 3. Your Test Credit Skater Report, generated by the accountant. This has your name, your scores and verifies you achieved a passing result. See the next page for an example. **STEP 2:**

Obtain a written statement from your coach verifying that the above documents are true and valid. The coach may write their own statement, they may choose to use the sample document included in this packet, or your club may have a pre-printed form they can simply sign.

**STEP 3:**

Submit these documents to your club's Test Chair, along with the appropriate payment and request that the club record your test through the Members Only program, [www.usfsonline.org](http://www.usfsonline.org) Each club may request this information in their preferred format. (For example, scan or upload picture files of the documentation to an online form, or submit paper copies, etc.). The important thing is that your club's test chair obtains copies of documents 1-3, in step 1 and verification from your coach that it is authentic. **IMPORTANT:** Before you leave the competition, check your packet and be sure you have ALL three of the correct documents. If you do not, please ask to speak with the Accountant to obtain them.
